**San Bernardino** – Caltrans will close the I-215 northbound and southbound lanes at the Blaine St./3<sup>rd</sup> Overcrossing for bridge demolition.

The lane closures are as follows:

<b>Northbound lanes:</b>	Monday, Dec. 12 – Thursday, Dec. 15	8:30 p.m. to 4:30 a.m.
	Friday, Dec. 16	11:00 p.m. to 7:00 a.m.

These closures are part of the ongoing work to complete the \$317 million 60/90/215 Freeway Improvement Project. The entire project is slated for completion in late 2007.

Signs will be posted alerting motorists of the closures. Traffic will be directed off the freeway at Blaine Street and back on to the freeway at the Blaine Street on ramps in both directions. This is done to guide motorists safely around the construction area.

Caltrans distributes weekly closure information on the project via e-mail to interested parties. Call Caltrans Public Affairs at (909) 383-6733 to be added to the list of e-mail subscribers. Please visit the Web page: <http://www.dot.ca.gov/dist8/60/91/215> for construction updates on this project. Motorists are advised to exercise extra caution around the construction area and always make a point to ***SLOW FOR THE CONE ZONE***.
